Prepare For 1st Grade Success

Language Arts

Have your child:

- Write his/her first and last name starting with a capital letter and the rest in lower case.
- Practice letter recognition of upper and lower case letters out of sequence (not in abc order)

Read to your child daily.

Science and Social Studies

Allow for your child to:

- explore his/her world through social situations and experiences with nature.
- visit zoos, museums and exhibits when possible.
- be exposed to the concepts of time and history.

Skills to practice:

- phone number
- address
- birthday
- tying shoes

Mathematics

- Count to 120
- Recognize 0-20
- Write 0-120
- Point to objects while counting
