

Process for Employee Online & BPlus Login.

Employee Online Users:

Sign into your Google account that is associated with your district email address.

The screenshot shows the Google sign-in interface. At the top, it says "Sign in with Google". Below that, it says "Sign in to continue to mipeer.org". There is a text input field for "Email or phone" with a cursor. Below the field is a link for "Forgot email?". A paragraph of text states: "To continue, Google will share your name, email address, language preference, and profile picture with mipeer.org." At the bottom, there are two buttons: "Create account" and "Next".

If your district is using Multi-Factor Authentication (MFA), this will trigger a confirmation via Duo typically on your cell phone.

The screenshot shows the Duo authentication screen. On the left is the Duo logo. The main heading is "Choose an authentication method". There are three options: "Duo Push" (checked, with a "Send Me a Push" button), "Call Me" (with a "Call Me" button), and "Passcode" (with an "Enter a Passcode" button). Below these options are links for "What is this?" and "Need help?", and a checkbox for "Remember me for 5 days". At the bottom, a blue bar says "Pushed a login request to your device..." with a "Cancel" button.

The screenshot shows the Google account verification page. It features the Google logo and the heading "Verify it's you". Below that, it shows the email address "julie.wendland@oakland.k12.mi.us". A message states: "We would like to confirm the referenced account is yours. If you recognize this account, please press continue." At the bottom, there are two buttons: "I don't recognize this account" and "Continue".

Once signed into Google you can now access Employee Online using the following link:

<https://clawson.mipeer.org/employeeonline>

BPlus Finance and HRPY Users:

Sign into your Google account that is associated with your district email address.

Sign in with Google
